*"Life in Christ"*

## Audio/Visual Vision Statement

Christ in audio/visual.

- A/V that draws people to Christ.
- A/V that is centered in Christ.
- A/V that expresses Christ's deep love and heart toward people.

Phil 2:9 Therefore, God elevated him to the place of highest honor and gave him the name above all other names,<sup>10</sup> that at the name of Jesus every knee should bow, in heaven and on earth and under the earth,<sup>11</sup> and every tongue confess that Jesus Christ is Lord, to the glory of God the Father. New Living Translation

In order to accomplish this vision, there are some spiritual as well as natural practices that must happen both individually and as a team.

Spiritually, we desire to.

- Draw people to Jesus.
- Express a true heart of worship.
- Express God's heart toward people.
- Keep Christ at the center of everything.
- Keep our foundation in the Word of God.

How can we be successful at accomplishing this?

- Live daily in the Word of God, Prayer, and Worship
- Understand who God is to us as individuals so that we can pour out who He is to others.
- Team studies and prayer time.

Ephesians 3:18 **Then as your spiritual strength increases, you will be empowered to discover what every holy one experiences – the great magnitude of the astonishing love of Christ!** TPT

Naturally the team needs these attributes.

- Teamwork
 

Ephesians 4:1-3 Therefore I, a prisoner for serving the Lord, beg you to lead a life worthy of your calling, for you have been called by God. 2 Always be humble and gentle. Be patient with each other, making allowance for each other's faults because of your love. 3 Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace. New Living Translation
- Excellence
 

Col 3:22 Servants, do what you're told by your earthly masters. And don't just do the minimum that will get you by. Do your best. 23 Work from the heart for your real Master, for God, 24 confident that you'll get paid in full when you come into your inheritance. Keep in mind always that the ultimate Master you're serving is Christ. 25 The sullen servant who does shoddy work will be held responsible. Being Christian doesn't cover up bad work. (from THE MESSAGE: The Bible in Contemporary Language © 2002 by Eugene H. Peterson. All rights reserved.)
- Modesty – both in appearance and heart attitude.
 

2 Cor 6:3 We live in such a way that no one will stumble because of us, and no one will find fault with our ministry. New Living Translation
- Realize this is not a performance.
 

2 Cor 5:15 and He died for all, that those who live should live no longer for themselves, but for Him who died for them and rose again. NKJV
- Put others before yourself.
 

Phil 2:3 Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves. New Living Translation

How can we be successful at accomplishing this:

- No tolerance for strife and pride.
 

1 Tim 2:8 In every place of worship, I want men to pray with holy hands lifted up to God, free from anger and controversy. New Living Translation
- Submit to the leadership.
- Group practice with understood home R & D.
  - Show up 15 minutes early to go over schedule & assignments
  - R & D consists of going online at home and watching other church services.
    - Look at pros and cons of these services.
    - Also familiarize yourself with the hardware and software we use.
- Allow for sharing of ideas with freedom from judgement but remaining in submission to the leadership.

## A/V Team Guidelines

**A/V Team:** Membership on the A/V Team is a position of Christian Leadership. The primary function of the team is to assist the worship team and pastors but not to exclude all departments with a/v needs under the guidance of FFC leadership. It is because of this that it is essential for every member of the team to carry with them an attitude of great expectation and faith to every service.

**Calling:** It is very important for those who participate in the team to feel that they are called, appointed and gifted or anointed to the ministry at hand. We emphasize that our purpose and calling is to co-labor with the worship team, pastors, other departments and to share this across the internet. There is no calling issued for performances and showmanship. Therefore, members must strive continually through prayer and example to have a pure heart before God and others.

**Lifestyle:** The team is one of the visible ministries of the church. Therefore, it is important that members always see themselves as representatives of Jesus Christ and of this church at all times. In their personal lives, team members will be expected to live by the highest standards of moral purity, ethical integrity, corporate unity, and personal charity. In the booth, they should conduct themselves in a spirit of professionalism, reverence and joy. Participants must be worshipers in and out of the booth, be believers of Christ, and their lifestyle must resemble that of a born again Christian.

**Talent and Skill:** Although we recognize the importance of a pure heart, we also need to have enough skill so that we can follow the leader. We should have an open heart to receive advice, correction, and training, and should be committed to becoming proficient and skilled at our ministry. "Kenaniah the head Levite was in charge of the singing; that was his responsibility because he was skillful at it." (1 Chronicles 15:22). One does not need to be a professional to serve the Lord, but God honors the discipline of additional practice and preparation.

**Ability to Flow:** Some people are very gifted in a/v, but for one reason or another they have trouble flowing with the team. We as a team need to operate and flow together. A/V proficiency does not automatically make someone a top candidate for the team.

**Commitment:** Team members should be actively involved at Faith Family Church and dedicated to Faith Family Church's vision and to the leadership of its pastors and other leaders. Those who commit to serving on the team are asked to attend weekly rehearsals and expected to do their best to make sure other commitments do not interfere with their ability to serve on the team. Because we value the importance of family, prospective team members should not join without the full support of their family.

**Attendance and Punctuality:** Attendance and punctuality are very important factors for being a member of the team. Weekly rehearsals are required, and members should arrive ready to work on the designated material. Poor attendance and showing up late for rehearsals demonstrate a lack of discipline and respect for the a/v ministry. If you require extra time to familiarize yourself with the service & assignments, please arrive early enough so that we can begin rehearsal at the designated time. Those who are unable to attend rehearsals should not expect to participate on the team the following Sunday unless prior arrangements with the A/V Leader have been made. If at any time a member cannot attend a service, rehearsal, etc. they must notify the A/V Leader in advance if possible so that proper adjustments can be made.

**Attire:** Remembering that all team members are looked at as leaders, members must dress properly when working in the booth. Men must wear a dress shirt (collared and/or button down), nice jeans or slacks, and dress shoes. No flip flops, shorts or tank tops. Women may wear a dress or blouse with dressy jeans, slacks or skirt (dresses and skirts must be to the knees or longer, even when wearing leggings). Blouses should have moderate neck lines and should be loose-fitting. Dress shoes, no flip flops, shorts, tank tops, sleeveless shirts, strapless shirts or dresses. Basically, be classy without losing moderation.

**New Applications:** We constantly seek to expand our team. Anyone interested in serving is encouraged to set up an appointment with the A/V Leader to discuss the guidelines and expectations. The prospective team member will also have a brief and informal interview. New applicants to the team will be required to attend several rehearsals before leading in a service.

**A Final Note:** Open communication is of vital importance. If at any time a member is confused, discouraged, or unhappy with the way things may be happening at a given time, they are encouraged to speak with the A/V Leader personally. The only way to deal with hurt feelings, resentment, confusion, etc. is to bring it out into the open so that the Lord can help us work through it.
